Re: C League Meeting 7/30/91

Congratulations to Hidden Hills I for their Championship Season! HHI won over 88% of their matches during the regular season, and then advanced through the playoffs by beating Deerwood 6-1 and Selva Marina 6-1. Not too surprising is the word that HHI will join the "B" League for the upcoming season. We wish them the best of luck and we're proud to send such strong representation up to the "B".

We will have our first Captain's Meeting of the 91-92 season **6PM, Tuesday, July 30 at San Jose Country Club** to consider the applications of Deercreek, Jacksonville Country Club, Marsh Beach (combined St. Augustine Bh. & Tennis Club and March Creek Country Club) and Oak Bridge (in Sawgrass) to the "C" League. Assuming all 4 teams are accepted we would then have 18 teams participating in the 91-92 season. At this writing the JCA is also considering application to the C League. Additionally, we will discuss the possible scenarios of the upcoming season schedule, the rules of participation and eligibility for play in the "C" League.

All new captains should be notified (by Tennis Pros if necessary) of this meeting and be in attendance. It is important that all teams be represented at this meeting. If any captain's cannot be in attendance, please let me know who will be your alternate.

Plan also for a second meeting August 6th, 6PM Tuesday at San Jose, at which we will distribute the new season schedule, welcome the new clubs to the League, submit our \$30 team dues, team rosters, and do a final review of the C League rules.
